## AGES 6-14

## OPERATION 36<sup>®</sup> GOLF

Enroll your junior in the academy and track their progress with the Op 36 app!

Coaches can communicate with you about your junior's progress, help set goals, and give you the tools to guide them outside of class.

Check the app for important announcements!

## Juniors deserve a better way to learn to play golf!

Most junior programs are incomplete. That is why Montreux Junior Golf uses the Operation 36<sup>®</sup> Development Model which centers around playing golf. The goal is to help your junior shoot par (36) or better for 9 holes.

### STEP ONE: Learn Skills in Fun Classes

We make learning the game feel like a game! Your junior will make friends and learn skills in fun engaging classes.

### STEP TWO: Play Their First 9 Holes

Coaches will provide your junior with a 9 hole playing experience with the Op 36 Model.

### STEP THREE: Train & Track Progress

The Op 36 Mobile App is your families guide to practicing and playing golf outside of classes.
